Open the COVID-19 Planning Application in LionSpaceFIS.
*if you do not have this application, email lionspace@psu.edu
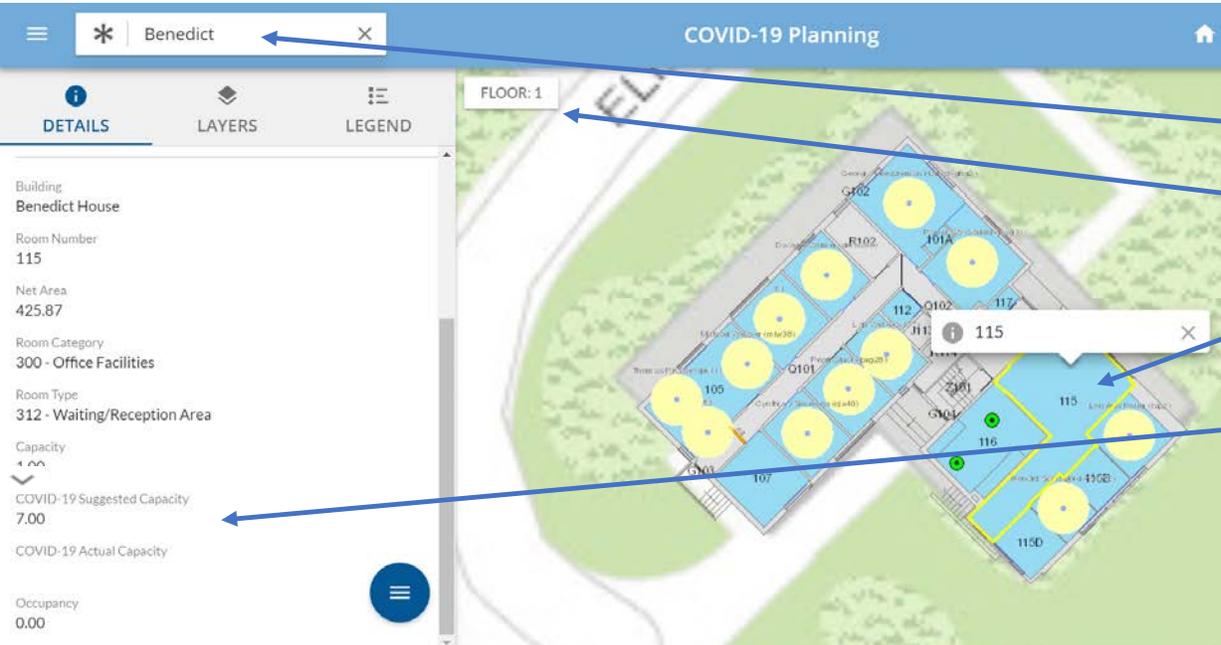

1. Search and select your desired building.

2. Choose your desired floor.

3. Select a room.

4. View the COVID-19 Suggested Capacity.

*Room Types 110, 111, and 210 reduced capacities are not tracked in the COVID-19 Planning Tool.
 If the room does not show a suggested capacity, note the room type. If it is a room type other than 110, 111, or 210, contact lionspace@psu.edu.
