Short-Listed Teams:

The Pennsylvania State University (PSU) wants to first show gratitude to the nine (9) A/E teams that submitted Proposals for this project. We truly appreciate each team's time and efforts in pursuit of this feasibility study.

The Screening Committee met to determine the Short-List for this feasibility study. After careful review and consideration, the Screening Committee has selected the above three (3) teams as the Short-List. Congratulations to the Short-Listed teams.

PSU Facility Project Manager Jeff Spackman (814-863-2496, 814-826-8461 or djs47@psu.edu) will be in contact immediately with the primary contact for each of the Short-Listed A/E teams with next steps in this A/E Team Selection Process.

Kindest Regards,
